“Health and success in school are interrelated. Schools cannot achieve their primary mission of education if students and staff are not healthy and fit physically, mentally and socially.”

National Association of State Boards of Education

What is Action for Healthy Kids?

Action for Healthy Kids (AFHK) is a nationwide initiative dedicated to improving the health and educational performance of children through better nutrition and physical activity in schools. This effort represents a response to our nation's epidemic of overweight, sedentary, and under-nourished children and adolescents. Healthy schools produce healthy students—healthy students learn better and achieve their true potential.

Healthy Hoosier School Award

What is the Healthy Hoosier School Award?

The Healthy Hoosier School Award was developed by the Indiana Action for Healthy Kids Team. This award honors Indiana schools that have policies and educational programs in place to promote proper nutrition and increased physical activity among their students. The winners are selected for their exemplary level of commitment to create an environment that encourages children to have healthy habits. Schools have the opportunity to receive a gold, silver or bronze level award.

Why have other schools applied?

"In our school district it is a matter of pride to know we meet the high standards expected of an award winner from Action For Healthy Kids. This process assists us in meeting the Wellness Policy Assessment requirements."

~Audrey Satterblom, Wellness Supervisor,
Indianapolis Public Schools

"All Parkside stakeholders have worked very hard for this great accomplishment! We are very proud of our banners hanging in our gym, knowing we all had ownership in winning these awards! Many kids have improved their lifestyles by participating in this great program."

~Nora Coleman, Physical Education Teacher
Parkside Elementary, Columbus

"The HHSA application process gave us the opportunity to evaluate our wellness efforts. We determined areas where we are doing well and areas that still need improvement. We were honored to receive the Silver Award."

~Kim Barrett, Principal
Carmel Elementary

Why should my school apply?

- Opportunity for your school to receive a monetary award and recognition for their commitment to addressing the health needs of students
- Use the responses from the application as school wellness assessment
- Applying for this award may help you secure future grants to assist with your school wellness initiatives

How does my school apply?
